PRINCIPAL'S MESSAGE

It's hard to believe that there are less than six weeks left in the school year. Both staff and students have worked very hard this year to prepare for the following year. I would like to express my appreciation for all the hard work students, staff and parents have demonstrated this year to make Coal Tye Elementary a special place to be.

THANK YOU

As the year winds down I would like to take this opportunity to thank the PAC for all the hard work and support they have given to the students and staff of Coal Tye Elementary. Your efforts have helped improve the quality of education received by our students.

COAL TYEE DRESS CODE

With the warmer weather comes the need to wear lighter clothing. Please remember that school is a workplace for your child/children and what may be acceptable attire at the beach or other places may not necessarily be acceptable at the workplace. At Coal Tye, we follow the SD #68 Dress Code guidelines and add our own guidelines with respect to "revealing" clothing.

SD #68 Guidelines

Appropriate dress is considered to be that which:

- Is safe
- Is free of any reference to alcohol, drugs, gangs, hate, obscenity, profanity, racism/discrimination, sex and or violence
- Is not disturbing or distracting to others within the school setting.

Coal Tye Dress code guidelines:

In addition to SD # 68 guidelines, Coal Tye has adopted the following dress code guidelines:

- Students wearing clothes that are found to be distracting or "revealing" will be asked to "cover up" or phone home for more appropriate clothing. A rule of thumb is that tops join bottoms and undergarments remain unseen
- No hats, bandanas etc. allowed to be worn in the main building unless a special event requires wearing these items.

PARENT APPRECIATION TEA/COFFEE

Please join us for a Parent Appreciation Tea on Wednesday, June 7, 2017 from 8:15-9:15. Come by and have an appreciation coffee/tea and a treat. We will have "to go" cups for those in a hurry and the garden will be set up for those who want to stay longer. Thanks to parents/guardians for all that you do for us - we are truly grateful!

TEXTBOOKS, LIBRARY BOOKS, SCHOOL UNIFORMS

We have recently been doing inventory around the school and finding that we are missing quite a few textbooks

and library books. We're asking you to have a look around the house, on the bookshelf, under the bed, etc., to see if you have any of our books. Textbooks are very expensive (up to \$60 each) and we simply cannot afford to lose any.

In addition, a few of our school uniforms have gone missing as well. Again, please have a look around to see if any have been brought home and not returned. Thank you for your attention to this urgent matter.

WELCOME TO KINDERGARTEN

Coal Tye will be hosting our annual Welcome to Kindergarten event on Monday May 29, 2017 from 10:00-11:15 a.m. Our kindergarten teachers have organized a fun-filled morning for our incoming Kindergartens.

LOST AND FOUND

Once again our Lost and Found is over-flowing with items. Please remind your child(ren) to take a minute and have a look to see if any items can be claimed before we send them to the Salvation Army.

MOVING AWAY

To help us with our planning for next year, please let us know if you will be moving out of the area. Also, if you are aware of families moving into the Coal Tye catchment area with school-aged children, please let us know. Families that are staying in Nanaimo but are thinking about changing schools next year need to register through the district online registration process before June 15, 2017 to confirm a spot in your new catchment area school. Follow the link below for more information. Thank you!

FINAL ASSEMBLY

Our year-end assembly has been scheduled for Thursday, June 29th, at 10:30 am. We will be honoring our grade seven graduates, recognizing some individual students and saying farewell to some of our staff.

TRACK AND FIELD

Approximately 80 students represented Coal Tye at the zone track and field meet on Thursday this week at Rotary Bowl next to NDSS. The students competed very well and demonstrated excellent abilities. Student who finished in the top four will represent our school at the District Meet on Thursday June 8, 2017 at Rotary Bowl.

Basketball Bonanza

Who: YOU and your family

What: Celebration of future and current Wildcats on the court

When: May 26th at 5:30pm

Where: Wellington gym

Why: Come cheer on the Wildcats and the future Wildcats in a basketball show down.

Concession prizes, Prizes, Prizes

Come see Willy the Wildcat, and Jazz Combos in action.

Entrance by donation. Pizza at concession.

All proceeds will go towards the Wellington Athletics program

CLASS PLACEMENTS 2017 - 2018

The assignment of students into classes each year is a careful and deliberate one with much time and effort being spent to ensure the best possible learning environment for each child. This process is a result of meetings, which are held by the student's present teachers and administration, and further consultation with teachers from the next grade level. This division of students into classes is effected, keeping in mind the following factors:

- A balance between boys and girls
- Students who should not be together for a second year (occasionally certain children have a negative influence on each other and it is in their best interest that they be parted).

- Students who should be kept together (for opposite of factor b).
- Academic abilities - so that every class has a mix of ability levels.
- The learning style of the pupils - so that he/she can be assigned to the environment most likely to produce the best learning situation.
- Work habits and levels of independence.
- Special needs children.
- Contractual obligations
- Parental requests - based on the above valid academic, social, emotional needs of your child.
- * * * Parent requesting specific teachers will not be entertained as we do not know the final placements of staff until September.

Please submit your request in writing to Mr. English only, and send it to the school no later than June 10th. We must stress, however that there are no guarantees of class placement based solely on a parental request.

We will be putting together "preliminary class lists" in June, but will not be finalizing class placement until September.

BOOK SWAP

The Library will be hosting a book swap on June 5th. Students are encouraged to bring their old books that they do not read anymore to donate to the book swap in exchange for other books. If you have any books to donate, please bring them to Mrs. Jones in the Library. For each book you bring in, you will receive a ticket that can be used on the book swap day. We would also be happy to accept any parent volunteers for set up and general help, please see the sign-up sheet outside of the Library.

every child deserves an education free from discrimination, bullying, harassment, intimidation and violence. The ERASE (Expect Respect and A Safe Education) bullying strategy is part of the Province of British Columbia's efforts to personalize learning and supports for all students.

For more information check out the website www.erasebullying.ca.

SUMMER READING CLUB 2017

Summer Reading @ Vancouver Island Regional Library

Summer vacation is almost here and your children are no doubt dreaming about fun times and adventures! But in order to keep your children's reading skills sharp; it's also a smart idea to include reading as a part of their summer fun.

Like all skills, a little practice goes a long way. Vancouver Island Regional Library invites kids aged 0 - 12 years to join Summer Reading Club. Participants will embark on a reading adventure at the library with this year's theme: **Book a Trip!** Summer Reading Club encourages children to read a little every day by providing:

- Fun tools, such as colorful reading records, tattoos, compasses, and medals.
- Chances to win cool prizes—the more they read, the more chances to win.

Best of all, Summer Reading Club is free.

You can register your children online starting June 20th at www.virl.bc.ca or you can drop by your local branch.

For more information, call or visit your local branch of Vancouver Island Regional Library or visit www.virl.bc.ca. In remote areas, the program is available through our Books by Mail service. Please call 1-877-415-8475 for information.

Planning a family trip or vacation? Don't forget that children can borrow from and return books to any of the 39 branches of Vancouver Island Regional Library located on Vancouver Island (except Victoria), Haida Gwaii, and Bella Coola on the central mainland coast.

SUN SAFETY

The sun is shining and it is hot on the playground! It is that time of year again, time to slap on the sun block and to seek shade from the sun's damaging UV Rays. Our students spend a total of 45 minutes a day outside for recess and lunch. The sun on a high UV Index day, can burn the skin in less than 7 minutes. To prevent painful sunburn and possible skin diseases such as melanoma, we recommend students:

BIKE/WALK TO SCHOOL WEEK

This week is bike/walk to school week. We are encouraging staff and students to bike, walk, scoot skateboard etc to school this week. We will be keeping track all week and competing against other schools in the district.
