Tuesday attendance is very important to us as we make final decisions in our class building depending on how many students we have in each grade. Please, if you do not plan on attending on Tuesday, call the school to let us know as soon as possible. Also, if you are moving, would you please let us know? Thanks so much. This communication is essential to us doing our best planning for your children.

Week One is known as Opening Week. This is where grade group classes are fluid; we work together, build common understandings and criteria for appropriate conduct and celebrate being together again. Children will not be in their "own" classes until early the following week. We are hoping to have this confirmed by September 12th, but it could be later depending on enrolment.

School Supply Lists for next year have been sent home with each student's report card. Should this be lost please visit the school website for all school supply lists. Since teachers are doing bulk ordering of all supplies, students are asked not to bring any money to school until they have been placed into their permanent class.

We wish everyone a wonderful, restful summer break and look forward to seeing everyone in September. Please watch the school website for any updated information prior to school opening in September. <http://schoolsweb.sd68.bc.ca/fairview>

Thank you for a great year!
